#### WHAT OUR CUSTOMERS ARE SAYING

“Great service from start to finish - made to feel very welcome at Manufacturing Site and shown around to view products and choices available. Very courteous and professional Sales Representative, Fitters and Office Staff. Very pleased with Sash Windows (including a Bay) and Door. Would not hesitate to recommend Company to future Customers.”

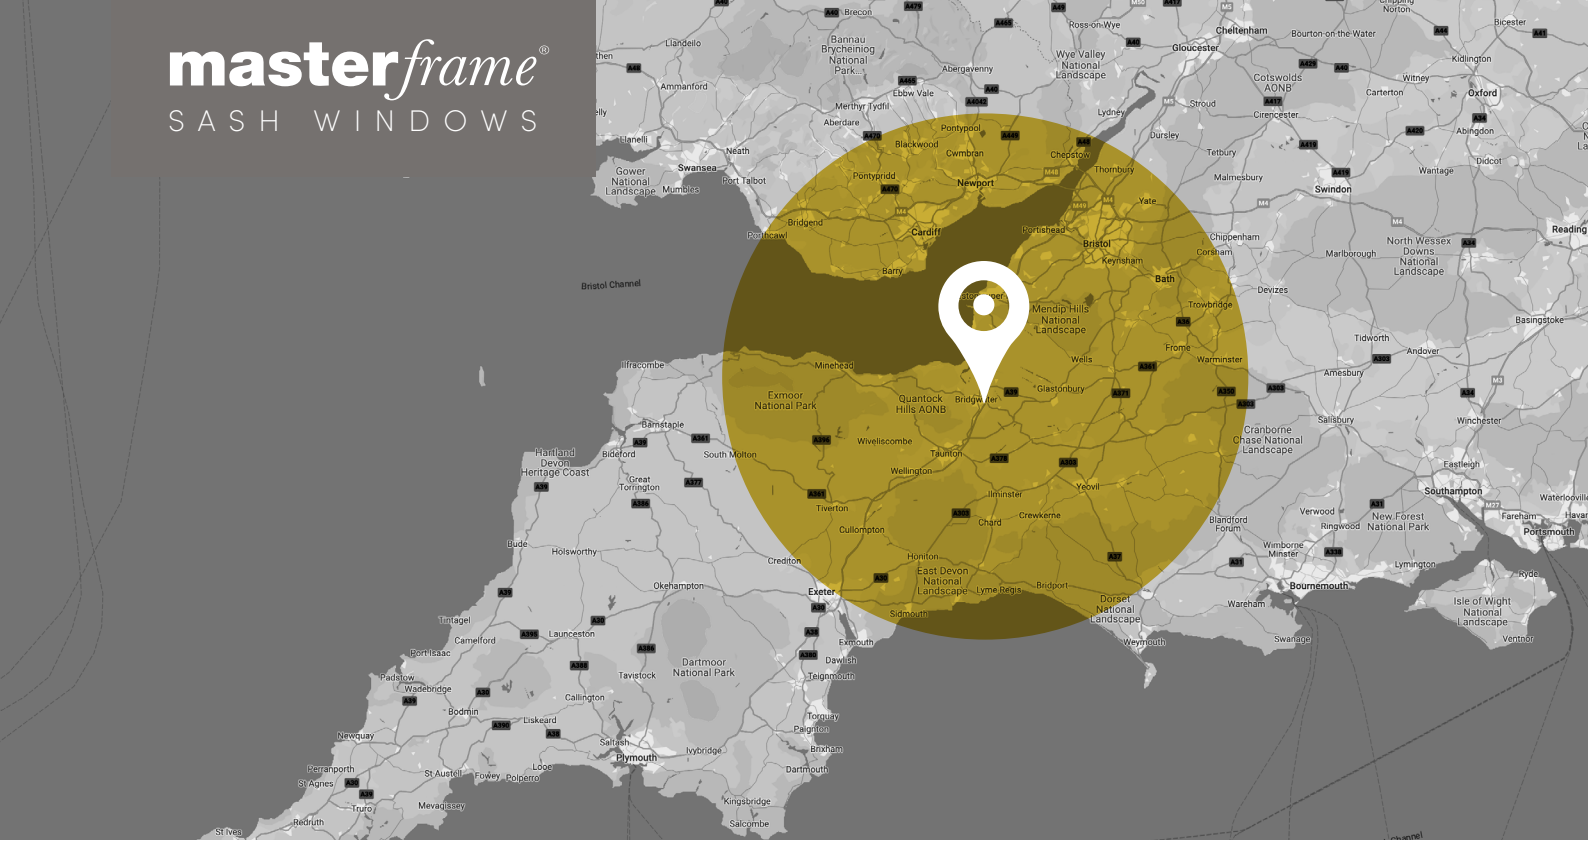

“The service we received from everyone with whom we came into contact with, which was the gentleman who visited and arranged the contract, the lady we had telephone conversations with and the gentleman who fitted our new door and windows were very helpful and polite.

The product looks good and is doing the job we wanted it to do.

I would certainly use them again for any future work.”

“We are delighted with the service Notaro Windows provide. In 2023 they made and installed our patio sliding doors x 2, and recently installed 2 windows and an external door. Excellent quality once again. No hard sales techniques, polite, full breakdown of costs, no hidden extras. The products are manufactured to a high quality finish, and we highly recommend Notaro Windows.”

“Friendly and professional from start to finish. Great to feel that our wants and needs were listened to in the sales appointment. No pushy salesman. All options were explained for the new front door, and for moving our catflap from a small window to the patio door. The fitters were fantastic. Both parts of the job completed with little disruption. Whilst one took out the old front door, the other gentleman set to work getting the window panes changed over. Everything has been finished neat and tidy, and all working as it should. Really happy with the job.”
