

A family run business with innovation at it's heart, providing quality products, installed expertly.

We are family! CBP was formed in 1986 by brothers Chris and Mike Gingell, who started installing PVCu fascia and guttering. Over the years, they kept up with industry trends and expanded their product range to include PVCu windows, doors, and conservatories, hence the name Corsham Building Plastics.

In 2019, they passed the Company onto Mike's sons, Adam and Paul, and Chris's son, Luke, now the Directors who continue to move the Company forward to this day with new exciting products and an updated stunning showroom, one of the largest in Wiltshire and Gloucestershire.

We have kept up to date with innovations by adding products that add even more space and value to your home. These include all-year-round glass rooms and glazed extensions, garden rooms, glass canopies and even glass balustrades and balconies. CBP now provide virtually every kind of window and door in all materials. Moreover, we've carefully selected windows and doors we know you'll love, from only the best possible brands, manufacturers and suppliers.

WHY CHOOSE CBP

With our many years of experience, technical knowledge and expertise, we have carefully selected a selection of high-quality brands to suit all pockets, so you don't have to search around. The brands all have one thing in common: they provide top-quality materials and components for their price points. Our range therefore suits those wanting an effective way to improve their home, or technically advanced products for Grand Designs-style or architect-designed homes.

We fully employ our own installers and aim to keep all work 'in-house' as much as possible. Our status as Premium Partners for some of the best brands globally also means we are fully trained, accredited, and approved.

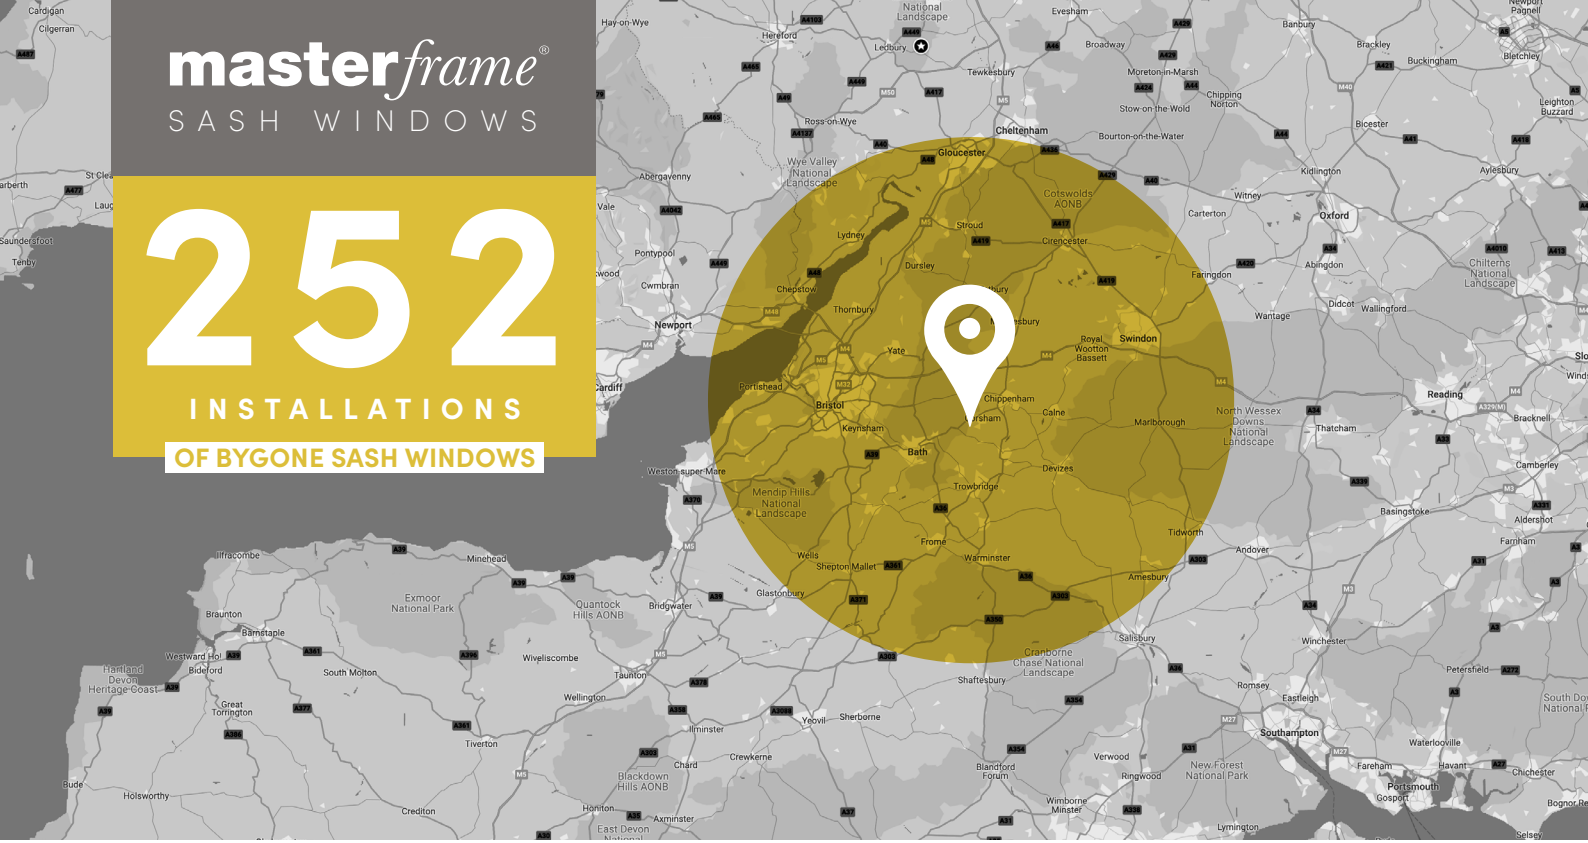

You can be confident that we will install a product to the highest standard; with CBP, you can be assured. We are a FENSA Approved Installer, registration number 36889, for our replacement window work. which means that after the installation, you will receive a FENSA certificate, for you to retain.

New build and commercial work fall under Building Control for which we always provide fully compliant products, meeting current Building Regulations and performance standards.

By far the biggest advantage to using us for your property or commercial building project is our technical expertise and knowhow. We work alongside homeowners, builders, and architects on commercial and residential projects such as new builds, renovations, restaurants, hotels, schools and offices. Whatever design, aesthetic, technical, functional or specification requirement you need to meet, we help you achieve it.

Our professional advice and quotations are free of charge, so contact us today or come and visit us in person at our comprehensive CBP Showroom in Corsham, the premier showroom in Wiltshire and Gloucestershire for British and European windows and doors.

INSTALLATIONS

OF BYGONE SASH WINDOWS

LOCATED IN CORSHAM, COVERING WILTSHIRE AND THE SURROUNDING AREAS

Because we believe in offering our customers only the very best quality sash windows we have been Master Installers on the Bygone approved network since 2007.

Whether you have a period style or new build, modern and contemporary home, we have a Bygone sash window to suit. You have a choice of three different specifications, Symphony, Harmony and Melody and we can offer advice and take you through the differences to help you choose the right window for your home.

Timber alternative Bygone sash windows not only look like timber originals but they are also incredibly low maintenance and are therefore an excellent investment. They come with a host of accreditations, a full 12 year guarantee and all window choices are PAS24/Secured by Design as standard for extra peace of mind.

Coloured windows are very much on trend and Bygone sash windows can be colour matched to all leading brand paint supplier palettes to suit your individual preference.
